To Whom It May Concern:

Re: Certificates of Free Sale, Sanitary, Purity

The Division of Epidemiology, Environmental and Occupational Health, Public Health and Food Protection Program of the New Jersey Department of Health, a governmental agency responsible for the licensing and inspection of all dairy and food operations in the State of New Jersey, hereby certifies that Summit Nutritionals International, Inc., 29 Rockaway Road, Lebanon, New Jersey 08833, license number 0015734, operates a Food processing plant which is licensed by the Department of Health and inspected by inspectors employed by the State of New Jersey.

We certify that the facilities, equipment and raw material, and the processing and packaging procedures have met the sanitary requirements of the State of New Jersey and that the operation is in good standing in every respect.

We further certify that the products manufactured by Summit Nutritionals International, Inc. are freely and without qualification sold and used in the food industry and are fit for human consumption in the State of New Jersey and the United States.

The Somerset County Chamber of Commerce, a recognized Chamber of Commerce under the laws of the State of New Jersey, has examined the manufacturer's invoice and shipped goods, all concerning the origin of the goods, and according to the information furnished by the manufacturer, the products are produced in the United States of America, and are on the exportation.
